Description: This edition of Othello is especially designed for students, with accessible on-page notes and explanatory illustrations, clear background information, and rigorous but accessible scholarly credentials. This edition includes illustrations, preliminary notes, reading lists (including websites) and classroom notes, allowing students to master Shakespeares...

Review: I am a college adjunct faculty English teacher and I wanted a simple edition with notes for my class to read in the fall. I was going to order 20 of these for the class, but I am so glad I first bought one for myself. The paper edition doesnt have any spaces between the speakers, either, so it is difficult to read, even if it were written in language...
